SPECIFICATION

WONDERGLASS

HOLLOW

by Dan Yeffet, 2016

Light architecture or a glass sculpture - Hollow makes light its object. Hollow embodies a new concept of a floor lamp, unlike the traditional light that serves to light other objects, it demands to take centre stage commanding the space it occupies. Hollow is as majestic when it is turned off as it is when turned on.

MANUFACTURING TECHNIQUE

Blown Glass

DIMENSIONS

Ø 550 x W 890 MM | 18 Kg
