CHELSEA BOY

WONDERGLASS

In 2013, James Irvine RDI, the influential British-born, Milan-based, product and furniture designer, left us all too soon. In this beautiful and gentle memento mori to a life cut short, designer Michael Young honours an icon of the international design world who saw the democratic work of architects and designers as the “work of unknown heroes.” A nod to Irvine’s favourite cocktail, this gin and tonic glass was launched at Bar Basso during Milan Design Week 2015.

Numbered edition, sold in pairs.
