MELT

by Nendo, 2019

Melt is inspired by the supple quality of glass when heated during the manufacturing process. The gently curved sections are made from large slabs of cast glass which are laid over curved moulds by expert glassmakers whilst still pliant. This allows the glass to slowly sink or stretch to create a beautiful arch.

MATERIALS

Handmade Cast Glass

DIMENSIONS

Armchair | W 500 x D 750 x H 650 mm

Bench | W 1200 x 375 x H 370 mm
